

Privacy Policy

Effective Date: February 12, 2023

Introduction:

At The Reed Realty Group LLC, we value the privacy of our users and are committed to protecting it. This Privacy Policy outlines the information that we collect, how we use it, and the steps we take to ensure that your personal information is protected. Please read this Privacy Policy carefully to understand our practices regarding your information and how we treat it.

Information Collection and Use:

We collect information from you in various ways when you use our website, such as:

1. **Personal Information:** We may collect personal information such as your name, email address, postal address, phone number, and other contact information when you sign up for an account or use certain features of our website.
2. **Usage Information:** We collect information about your use of our website, such as the pages you visit, the time you spend on our website, and the actions you take on our website.
3. **Device Information:** We collect information about the device you use to access our website, such as your device type, operating system, and browser type.

We use this information to provide and improve our services, to communicate with you, to troubleshoot and resolve issues, and for internal research purposes.

Information Sharing and Disclosure:

We do not sell, trade, or rent your personal information to third parties. We may share your information with third-party service providers who assist us in providing our services, such as hosting and technical support. These service providers are required to maintain the confidentiality of your information and are prohibited from using it for any purpose other than providing services to us.

In addition, we may be required to disclose your information in response to a request from law enforcement or in compliance with a legal obligation. We will use commercially reasonable efforts to notify you if we are required to disclose your information to third parties, unless prohibited by law.

Data Security:

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. These measures include internal reviews of our data collection, storage and processing practices and security measures, as well as physical security measures to guard against unauthorized access to systems where we store personal data.

We cannot guarantee the security of your information, as no method of transmitting or storing data is completely secure. We will promptly notify you in the event of a breach of your personal information.
